

Subject: Karrinyup Community Men's Shed message 14 July

From: Karrinyup Men's Shed <kcmensshed@iinet.net.au>

Date: 14/7/2018 11:10 AM

To: Karrinyup Community Men's Shed members

New editor

Terry Fuller will now take over writing and sending the Karrinyup Community Men's Shed messages. These may reduce in frequency as we become established.

Terry will set it up so these emails will come from the Men's Shed email address, not from Tony Strickland's private email address as in the past.

If there are any problems with the emails or you know a member who hasn't received one or you have any suggestions, please contact Terry via the Shed's email address kcmensshed@iinet.net.au or his personal email address listed below.

Email printed copies

Some of our members either have no email, or limited access to attachments. To assist these folk, we will print email and attachments and have copies at the Karrinyup Community Men's Shed for those with no email and printing facility.

Attendance log

We are starting a formal log for attendance this week. So please be sure to sign in at the door when you arrive. The shed will be open Tue, Wed & Thu, 09:00 - 12:00. Morning tea will be 10:00 - 10:30

iPads

Is there a person capable with iPads in our membership? We have 2 members looking for assistance to learn about them, and once we know that we have someone who can help, there may well be more.

Shirts

The shirt maker has asked us to compare our measurements with this table of shirt sizes. As we all know, sizes can vary across clothes makers. Lay your favourite polo shirt flat and measure from seam to seam across the chest just below the armpit the distance between the armpits.

Cm	Size
51	XS
53.5	S
56	M
58.5	L
61	XL
63.5	2XL
66	3XL
68.5	4XL
71	5XL

Then either fill in the form on the table at the door to the Men's Shed, or email your measurements to Peter Polain
