

Subject: Karrinyup Men's Shed Bulletin 16 October 2018
Date: Mon, 16 Oct 2018 9:01am
From: Karrinyup Men's Shed <kcmensshed@iinet.net.au>
To: kcmensshed@iinet.net.au

To: Karrinyup Community Men's Shed members

Funding Grant

We have informal advice that the Dept of Veterans Affairs has approved our application for a grant. We have yet to receive the formal letter, which will outline how much and under what conditions. But this is great news.

First Aid Training

We have funding for first aid training for up to 4 of our members through Men's Sheds of WA. You can nominate for this to Secretary Tony patton@iinet.net.au 0400 504 144, and then book yourself into a course. You will be reimbursed by KCMS, who in turn will be reimbursed by MSWA.

New Machinery Training

We have new machines in the Shed, and more being delivered on Tue 16 Oct. Yippee! Jim is holding training sessions for this on Friday 19 and Friday 26 October, 9:30 – 11:30.

No member will be able to operate the new machinery until signed off as having completed the training session. Whilst we respect that some of our people are already highly skilled in these areas, a one-in all-in process is easier to manage.

Annual General Meeting Friday 16 November

This is a call for nominations for our Management Committee, which will close on Friday 2 November.

All positions are up for election. This is our current committee, with those who will stand for election:

President Peter Polain

Vice-President vacant

Secretary Tony Strickland

Treasurer Richard Curry

Committee Jim Barbas, Phil Watt, Jeff Crookes, plus one vacancy.

If you would like to nominate for any of these roles, or nominate another member, please get the nomination form to Secretary Tony by Friday 2 November.

Nomination forms are attached to this email, or can be downloaded from <http://karrinyup.menssheds.wa.org.au/rules/AGM-nomination-form-Nov2018.docx>

Paving the carport

Our next big project will be to pave the area under the carport. This will involve cleaning the area of leaves, levelling and compacting the sand, putting in a layer of brickies sand, laying the pavers 200mm x 200mm x 50mm total 50sqm, and cementing in the edges.

We would like to assemble a team of people with experience in this. Ross Daniel has organised the pavers at a mates rates price, and complimentary use of equipment such as a compactor and wet saw. He will direct the task.

If you would be happy to be involved in this project, please advise Secretary Tony, with your preferred days. Ross estimates that the job would take 2 full days. We are keen to get his underway in the next couple of weeks.

Melbourne Cup Tuesday 6 November

Our Tuesday KCMS Shedders are hosting a very informal event, with a sweep and sausage in a bun catering. If you would like anything other than tea or coffee with your sausage, please bring it. All KCMS members are welcome.

To assist with adequate catering, please advise Secretary Tony if you plan to join us.
