Annual General Meeting

Fri 16 Nov 11:00 at the Shed. It will be our first AGM at which we will have an election of office bearers and committee.

Until now, we have had the steering committee who got us started becoming the management committee, adding people with particular expertise as we got going.

Attached is our current organisation chart. A formal Notice of Meeting will be published shortly.

The AGM will be followed by a social lunch at 12:00. So please put this date and time in your diary.

A typical Men's Shed story:

Jimmy Egerton, known to all as "Eggy", was visiting Perth from Hopetoun for a few weeks whilst his wife was having medical treatment. He is an old mate of Peter Buegge, so Peter brought Eggy along for a few Tuesday mornings for some social company.

Eggy loves to cook, so brought gourmet (there is no other kind) sausages and cooked them for our morning tea. This is a great illustration about being able to extend support to a visitor to Perth, and make a new friend of him in the process. A good Men's shed story, well done Peter and KCMS!

Work Benches

We have now finished **5 work benches**. We will look like an operational Men's shed from this week.
