Karrinyup Men's Shed Bulletin 20 November 2019

From: Karrinyup Men's Shed <kcmensshed@iinet.net.au>

To: Karrinyup Community Men's Shed members

Christmas Lunch and Celebration

Friday 20 December, commencing at 12 noon.

A sausage sizzle will be supplied and members are asked to bring a small salad, dessert or Christmas treat. You may bring your own drinks to this event if you wish, but we cannot supply alcoholic beverages.

Please put your name on the notice board list to assist with catering numbers. Assistance on the day with preparation and clean up will be appreciated.

In keeping with last year's format, members are encouraged to have a humorous Christmas story or joke for recital.

Please note that the Shed will not be open for normal operations on this day.

Christmas/New Year Closure

The shed will be closed for business from Thursday 19th December and will reopen on Monday 13th January.

This extended closure is necessary to enable the final commissioning of the dust extraction system, essential machine maintenance and a thorough clean up prior to the new year.

During the period 6th - 10th January, Jim may call upon supervisors and others (if required) for some assistance.

Co-operation and Conviviality

As we approach the season of good-will, it is timely to remember that the Karrinyup Community Men's Shed exists for every one of its 80 members on an equal basis.

When using machines and bench-space, members are asked not to do so at the exclusion of others.

If you require the use of a machine for an extended period of time it is good manners to ask your fellow shedders before doing so.

Remember, a little co-operation and calmness will help maintain harmony.

Offers of items for the Shed

Lately we have been accumulating of a lot of stuff which is unlikely to be of any use to us and is resulting in the shed looking a bit like Steptoe & Son.

While the intention is good, the result is not and we will have to find ways of disposing of the junk.

So, if you receive an offer of items for the shed, please ask Jim Barbas if we want it.
