Preparation for Annual General Meeting

Attached is the cleaning schedule to be undertaken in readiness for the AGM on Friday 16th November. See <http://karrinyup.mensshedswa.org.au/docs/cleaning-for-agm.pdf>

It should be noted that some of the outside area work commenced from Tuesday 6th Nov, with 2 trips to the tip taking the pruning rubbish off the front lawn.

We are looking forward to a great turn-out of our members at the AGM, Friday 16 Nov at 11:00, followed by an informal lunch.

Melbourne Cup Sweep

The Melbourne cup sweep was won by Jim Barbas, with new member Peter G on his first day taking second, and Karl Boeing third. The thrilling prize for last went to Kingsley McGuire.

Personal Protection Equipment

The Men's Shed will be making a bigger effort for our members to be wearing the appropriate Personal Protection Equipment.

Safety Supervisors will set the example, wearing ear, eye and breathing protection as appropriate.

Closure over Christmas / New Year

KCMS will close for the Christmas / New Year break on Thursday 20 Dec, and re-open on Tuesday 8 January. We will have an end-of-year party on Thursday 20 December.

Carport Paving Project

The project is complete. The support for this project was huge. We had around 20 different members chip in to spread the workload, so many thanks to all of the helpers and especially to Ross Daniel who brought the whole project together.

Some photos have been loaded on to the website photos page

Subject: Opportunity to be involved in local government reform

Dear Gary,

I am involved in the McGowan Government's local government reform program, including the review of the Local Government Act 1995.

The review is intended to modernise local government by implementing significant reforms to community engagement, elections, and the ways local government raise revenue, including rates.

As part of the review we want to hear from local governments and the community. We believe that the reform of local government would be of interest to your organisations and the review is an opportunity to get involved directly in shaping the future of local politics.

The easiest way for the community to have their say is via surveys available at:

www.dlgsc.wa.gov.au/lgareview

Alternatively, submissions can be lodged via email at actreview@dlgsc.wa.gov.au The public submission period closes on 31 March 2019.

This is a once in a generation opportunity to transform local government.

If you have any questions you are welcome to contact me on the details below.
