KCMS Open Day Friday June 21st

This month we not only celebrate our first year of operation, but also the really great news that our lease with the City of Stirling is to be renewed for a further five years.

Our first year has seen really remarkable progress in establishing the shed; an effort that is now rewarded with the knowledge that we are here to stay.

This achievement is of course due in large part to the efforts and financial backing of Karrinyup Rotary and our kind donors, but really, the main effort came from the support of you, our members.

In order to mark this milestone, Friday 21st June from 08:30 has been set aside as a celebratory open day to show off our shed to visitors and potential new members.

We currently have 53 registered members on our books, but in order to achieve stability would like to see that grow to around 80 during our second year.

In order to do this we are reaching out to the grass roots community through contact with community groups, posters and Community Newspaper publicity, such as this article here
<https://www.communitynews.com.au/stirling-times/news/big-plans-for-balcatta-mens-shed/>

Attached to this email is a promotional poster. We ask for your help by circulating this to your own contacts and maybe printing it off and posting copies in community locations such as your local shops, local bowling club, tennis club, golf club, etc.

Everyone is welcome to come along and help celebrate on Friday 21st June, even if you are not normally a Friday man. Any contributions of morning tea goodies would also go down well.

See you then!
