## **Karrinyup Men's Shed Bulletin 11 August 2020**

From: Karrinyup Men's Shed <[kcmensshed@iinet.net.au](mailto:kcmensshed@iinet.net.au)>

**To: Karrinyup Community Men's Shed members**

### **New Crib Room - Installation Project**

Work to install the new crib room is planned to commence on site from Friday 14th August and if all goes to plan, will conclude before the end of August.

Contractors are indicating moving the sea container this Friday 14th August and progressing with earthworks on Monday 17th August.

**Members please note that the car park, driveway and adjacent footpath is to be kept clear of vehicles on Friday 14th August to give access to the crane lifting the sea-container.**

Shed activities on Tuesday 18th August are likely to be curtailed while electrical and hydraulic connections are made as this will cause interruptions to services.

**Again on Tuesday 25th August the car park, driveway and footpath is to be kept clear while the new demountable is being delivered and lifted into place. It will also be necessary for cars to be well clear of the street approaches to allow turning by the low loader.**

The area immediately in front of the double cyclone gates is to be kept clear throughout the project and there will be no parking available to members within the grounds.

Please respect our neighbours if parking in the street. Avoid congestion and keep clear of verges, driveways, etc.

Members are asked to maintain a safe distance from the construction site while work is in progress.

This information will be updated as the project progresses.
