Cleaning Day

Thursday 8th September will be a "top-to-bottom" cleaning day.

Machines are not to be used and no other work will be performed.

Anyone available on the day will be required to undertake cleaning duties from 8:30 am. John Berry will allocate tasks and ensure that work is completed in a methodical way.

Work will involve vacuuming walls, window sills, acoustic panels, ducting and inside of all machines. Anyone with a shop vac is encouraged to bring it along - more the merrier.

All timber shorts laying under benches and stored in corners, etc., will be removed to alternative storage. Members are asked to remove all project materials beforehand.

AGM Lunch Monday 12th September

Members are reminded that the shed AGM is on Monday 12th September from 11:00 am and to put their name down for a hot roast roll and gravy, if staying on afterwards.

Bunnings Sausage Sizzle Saturday 17th September

This event provides funding for shed operations. We would really like a few more people to volunteer by putting their names on the list, from which a roster will be published.

Covid 19 Mask Mandate

The mask mandate for public transport, taxis and ride-share vehicles in WA is to be lifted from September 9. After this date masks will only be compulsory in hospitals, prisons, aged care homes and disability facilities.

In line with this move mask wearing is no longer compulsory in the shed. However, the State Government has said masks are still "encouraged" in crowded indoor settings where people are unable to physically distance.

Surplus Desks and Computer Work Station

We have a number of surplus desks and a PC work-station for disposal. Anyone interested in purchasing any of these is asked to contact Jeff Crookes jeffcrookes@iinet.net.au
